

Help promote and learn more about landscapes that grow clean water!

Ecological Designers and Engineers Network (EDEN)

Interested in joining a network of designers, engineers and other advocates and creators of constructed ecosystems and landscape approaches to cleaning wastewater?

A network of both practitioners and advocates is forming to:

- share information and confer with colleagues
- keep up to date with events such as conferences and courses
- inform regulators of planted wastewater treatment opportunities
- learn about new developments and resources

If you are interested in taking part, please fill out the following information and return it to:

EDEN c/o Ecowaters

PO Box 1330

Concord, MA 01742

or email it to: eden@ecological-engineering.org
